Grade 4 starting salary £41,490.00 with biennial increments

## Location

Inscape House School, Cheadle, Stockport

## Reports to

Relevant Deputy Head

## Type of DBS required

Enhanced, Child & Adult Workforce

The Together Trust is committed to safeguarding and promoting the welfare of the people we support and expects all our staff and volunteers to share this commitment.

Safeguarding checks will be undertaken for the successful candidate in line with our safer recruitment policy, including an Enhanced DBS check (at no cost to yourself).

This role will involve regulated activity.

## Job purpose

To teach students within the Champions and Explorers cohort. This cohort of students are working on a pre-formal or semi-formal curriculum. Inscape House School is a non-maintained autism-specialist day school for children and young people aged 5 to 19 years. It is part of the Together Trust, a charity that has been providing care, education and support in the Northwest of England since 1870. The post holder will be a member of Inscape House School on the Cheadle campus.

## Key responsibilities

### Teaching:

- Understanding of the engagement model and EYFS framework.
- Understand National Curriculum requirements and adapt these to plan teaching and learning for pupils following a pre/semi-formal curriculum.
- Adapt the teaching of the National Curriculum to meet the varying learning needs of pupils with Autistic Spectrum Conditions and learning disabilities.
- Develop high expectations that inspire, motivate and challenge, both academically and socially.
- Create a safe and stimulating learning environment for pupils, rooted in mutual respect considering pupils' sensory and communication needs.
- Develop goals that stretch and challenge all pupils throughout the school day.
- Demonstrate the values and behaviours that are consistent with a positive disposition and empathic understanding of the pupils' needs, so as to develop their self-belief and confidence in their own abilities.
- Promote outstanding progress and outcomes by pupils both academically and socially.
- Work in a multi-disciplinary capacity with the school's Therapy Team to ensure that good autism practice is embedded within lessons and progress towards EHCP outcomes are being met.

### Grade 4

- Demonstrate a proven track-record of pupils making outstanding progress through excellent teaching and subject pedagogy.

- Have strong experience of working with students with autism and other associated learning difficulties.

### Management of staff:

- Effectively deploy Education Assistants (EAs) to facilitate learning, ensuring that all support positively impacts on the development of every pupil's independence.
- Create and maintain a high level of accountability on EAs for the learning and development of academic and social skills throughout the school day.

### Grade 4:

- To effectively deploy Education Assistants (EAs) to facilitate learning, ensuring that all support positively impacts on the development of every pupil's independence.
- To create and maintain a high level of accountability on EAs for the learning and development of academic and social skills throughout the school day.
- Manage a team of EAs effectively.
- To ensure that all EAs are punctual, have high attendance and are always mentally present to facilitate learning.
- Complete human resource processes with a team of EAs such as return to work from absence, professional discussions/supervision, professional development reviews and performance management, including target setting.
- To address underperformance issues as soon as they arise with EAs completing the necessary paperwork and informing Deputy Head. Persistent issues to be addressed jointly with Deputy Head
- Ensure that EAs have the academic and social skills required for the pupils' needs by advising on relevant training available within the Together Trust with the approval of the Deputy Head/Head Teacher.

### Outcome delivery:

- Be accountable for each pupil's attainment, progress and outcomes.
- Be aware of pupils' capabilities and their prior knowledge, and plan teaching to build on these.
- Guide pupils to reflect on progress they have made and their emerging skills and how they can continue to develop.

- Demonstrate knowledge and understanding of how each pupil learns, their personal motivators and how these impacts on teaching and learning.
- Encourage pupils to take a responsible and conscientious attitude to their own work and study.
- Complete the “Progress Towards EHCP Targets” document and ensure that it is individualised and truly reflective of each student’s current position and future aspirations.

Curriculum Knowledge:

- Have a secure knowledge of the primary or EYFS curriculum.
- Be able to foster and maintain pupils’ interest and address misunderstandings.
- Demonstrate an understanding of and take responsibility for promoting high standards of literacy, articulacy, and the correct use of Standard English.
- Be able to use our chosen synthetic systematic phonics programme to deliver the teaching of reading.
- Develop a love of reading for pleasure in learners.

Plan and teach well-structured lessons:

- Understand and demonstrate autism-specific strategies e.g. SPELL and Attention Autism, to support pupils to effectively access lesson material.
- Promote a love of learning and children’s intellectual curiosity whilst also promoting skills in problem solving.
- Create numerous opportunities for pupils to communicate and socially interact with peers and unfamiliar people within a supportive environment.
- Plan out-of-class activities to consolidate and extend the knowledge and understanding pupils have acquired focusing in on interactions, communications, sabotage and problem solving.
- Reflect systematically on the effectiveness of lessons and approaches to teaching ensuring engagement and structure throughout.
- Contribute to the design and provision of an engaging curriculum.

Adapt teaching to respond to the strengths and needs of all pupils:

- Know how to differentiate appropriately, using approaches which enable pupils to be taught effectively.
- Have a secure understanding of how a range of factors can inhibit pupils' ability to learn, and how best to overcome these.
- Demonstrate an awareness of the physical, social and intellectual development of children, and understand how to adapt teaching to support pupils' education at different stages of development.
- Have a clear understanding of the needs of all pupils and be able to use and evaluate distinctive teaching approaches to engage and support them.

#### Accurate and productive use of assessment:

- Know and understand how to assess pupil progress, including appropriate statutory assessment requirements.
- Use the Autism Education Trust (AET) framework to measure autism-specific areas of progress.
- Make use of formative and summative assessment to secure pupils' progress.
- Use progress data to monitor progress, set targets and plan subsequent lessons.
- Give pupils regular feedback, both orally and through accurate marking, and encourage pupils to respond to the feedback.

#### Manage behaviour effectively to ensure a good and safe learning environment:

- Have clear expectations and routines to support behaviour in classrooms and take responsibility for promoting good and courteous behaviour both in classrooms and around the school and in the community, in accordance with the school's Positive Behaviour Support policy and the 6 principles of nurture.
- Employ appropriate proactive, active and reactive strategies to manage behaviours of concern.
- Have high expectations of behaviour by establishing clear boundaries for socially acceptable behaviour.
- Manage classes effectively, using approaches which are appropriate to pupils' needs to involve and motivate them.
- Maintain good professional relationships with pupils and act decisively when necessary.

#### Professional Communication

- Attend and contribute to pupils' review meetings and multi-disciplinary team meetings.
- Work with pupils, families and the multi-disciplinary teams to identify pupil centred goals.
- Demonstrate skill in communicating with pupils with autism and a range of physical, cognitive, and communication difficulties.
- Develop knowledge and application of communication strategies including total communication and the use of technology/software to communicate with pupils with a range of complex language and cognitive difficulties with support from the SaLT team.
- Ensure that feedback and appropriate information is given to pupils in a pupil centred manner.
- Liaise with members of the MDT and education team and work co-operatively and timely, with regard to facilitating pupil achievement of their EHCPs, IEPs and therapy plans.
- Provide feedback and advice to staff and members of the multidisciplinary team regarding the assessment and treatment of a pupils physical, functional, cognitive, sensory and perceptual abilities.
- Provide feedback to parents, carers and external agencies, as consented by the pupil or their advocate(s).
- Make referrals to other agencies as required/appropriate.
- Comply with the TT Safeguarding policy and do not use personal devices to contact families or professionals.
- Maintain strict confidentiality concerning individual pupils.
- Participate in school self-evaluation and school's quality improvement planning.

## Training

- Comply with the school's mandatory training requirements.
- Attend conferences and meetings including professional shows as required.
- Attend external and internal training courses as agreed for continual professional development and meeting appraisal objectives.
- Read current literature on autism and special educational needs and to disseminate information to the rest of the staff team.

## Grade 4:

- Deliver training in your subject area at the request of the Senior Leadership Team.

### Professional responsibilities:

- Make a positive contribution to the wider life and ethos of the school.
- Develop effective professional relationships with colleagues, knowing how and when to draw on advice and specialist support.
- Contribute to in-service programmes including feedback on courses attended.
- Review and reflect on your own practice and performance through formal and informal observation feedback of teaching, learning and assessment; responding to advice and feedback from colleagues; effective use of professional development reviews.
- Participate in your own professional development review and work towards objectives set through performance management processes.
- Perform any duties as may reasonably be required by the Trust, or as requested by your Deputy Head and other Senior Leaders.

### **Other responsibilities**

- Actively engage with the Together Trust's vision, mission and values.
- Commit to promoting equality, diversity and inclusion.
- **Unsocial Hours / Holidays / Working Environment**  
Occasional attendance at evening meetings / course / home visits may be required outside normal school hours. Normal arrangements regarding school holidays apply.
