Role profile specific behaviours

Introduction

Our behaviours framework describes the actions we believe are at the heart of bringing our values to life at Together Trust. They explain how we should approach our behaviours at work. This is a generic framework designed to introduce the concept of behavioural competencies in a flexible format in the first instance. The behaviours are split into several levels to reflect the different expectations we should have of ourselves and colleagues whatever their role in the organisation.

Positive:

We take pride in celebrating the difference we make

Purpose:

Taking a positive approach which delivers high quality people focused service

- I take time to create and communicate a clear vision of the future for my function, reinforcing a sense of purpose and direction in the Trust
- I facilitate high performance by creating a culture of constructive feedback, clear direction, focus, and recognition.
- I identify and develop a pipeline of talent for the future across the Trust
- I create opportunities to share the successes of the Trust externally

Professional:

We act in a fair and respectable way that recognises our collective expertise **Purpose:**

Taking a professional approach; building trust, working in partnership, and having a strong focus on delivering the best outcomes for all

show alignment with the leadership team, speaking with one oice to deliver organisational clarity. value all areas of the organisation, including the unfamiliar, and uild strong cross-functional relationships work in participation with others across services and functions, nd develop synergies to improve the service to my key takeholders role model my commitment to values at all times, even when I m under pressure
Passionate:
We encourage creative ideas and inspire one another
se:
bassionate about continuous improvement in the Trust; bringing d imaginative ideas, taking calculated risks, and learning from ence
seek opportunities to learn from innovative practice elsewhere, enchmarking performance internally and externally actively build new partnerships to improve our delivery and vays of working identify the need for strategic change, identifying risk, engaging takeholders effectively, managing conflicting views and nsuring alignment use inspirational leadership to motivate people across the Trust
Supportive:
We are considerate and caring towards one another
g in a supportive way with others in the pursuit of collective and valuing diversity in the workplace. build a culture of learning and improvement rather than blame understand the impact of my emotions and those of others take time to break down barriers and promote inter- epartmental working and understanding coach and mentor senior and aspiring leaders
