Role profile specific behaviours

Introduction

Our behaviours framework describes the actions we believe are at the heart of bringing our values to life at Together Trust. They explain how we should approach our behaviours at work. This is a generic framework designed to introduce the concept of behavioural competencies in a flexible format in the first instance. The behaviours are split into several levels to reflect the different expectations we should have of ourselves and colleagues whatever their role in the organisation.

Positive:

We take pride in celebrating the difference we make

Purpose:

Taking a positive approach which delivers high quality people focused service

- I build a shared vision and communicate it effectively to allow teams to work well together
- I give and seek constructive feedback proactively and recognise great performance across services, using reward to celebrate and motivate individuals and teams
- I use coaching skills to ensure that all staff are able to deliver confidently and to the best of their ability.
- I take action to improve quality and positivity across the Trust

Professional:

We act in a fair and respectable way that recognises our collective expertise **Purpose:**

Taking a professional approach; building trust, working in partnership, and having a strong focus on delivering the best outcomes for all

- I role model values and standards, giving constructive feedback to others when their actions are not in line
- I proactively identify key stakeholders' changing requirements
- I facilitate effective working between teams to deliver results, recognising the expertise and knowledge of others
- I understand people's expertise, strengths and weaknesses and develop them to meet Trust goals

Passionate:		
We encourage creative ideas and inspire one another		
Purpose:		
Being passionate about continuous improvement in the Trust; bringing		
new and imaginative ideas, taking calculated risks, and learning from		
experience		
I seek best practice inside and outside of the Trust to benchmark		
and improve processes		
 I give permission to others to think differently and challenge the 		
status quo		
• I prepare people and the organisation for major change initiatives		
 I role model good leadership to inspire great performance 		
Supportive:		
We are considerate and caring towards one another		
Purpose:		
Working in a supportive way with others in the pursuit of collective		
goals, and valuing diversity in the workplace.		
I take time to know my own team as individuals as well as		
understanding other departments and services		
 I understand my personal impact and know when it is 		
appropriate to amend my behaviour		
 I show empathy in my interactions with others 		
• I empower, encourage and enable people to make them feel that		
they matter
